HOW 策划

Our team determined the form of presence to be established in an offshore company. We helped clients on registration procedure, prepare incorporation forms, documentation works, and submit the signed form and documents until the formation of an authorized offshore company. The next step, is to open a bank account or merchant account for client business which after incorporation.

Incorporated of offshore company enables our client to eliminate exchange rate risk while minimizing transaction costs during settling foreign currencies period. Thus, as an employed management consultants, our proposed strategies ensure our precious client to achieve higher performance as they can mitigate financial risk and burden.

我们的合作团队已深入了解设立离岸公司的形式,在注册过程中,先与客户交流讨论研究对方的需要与条件以准备适合的成立表格后文档公作,一直到完整的一间合法化离岸公司为止。再成立后的下一步,我们也会协助客户打开该地的商业公司银行账户或商家私人帐户。

注册离岸公司使我们的客户在结算外币时,即消除汇率风险,同时降低交易成本。因此,作为雇佣的专业管理顾问,我们提出的策略将确保我们宝贵的客户获得更高的效益表现,即可以降低金融风险也可以减轻负担。
